**We are looking for Team Members for the following Target positions:**

- **Merchandise Flow**- Stock floor shelves neatly and accurately. Work in the back room unloading delivery trucks using the proper equipment
- **Cashier**- Answer guest questions and provide checkout assistance as needed.
- **Presentation & Price Accuracy**- Update store displays and shelves as necessary. Check signs and labels for accuracy. Maintain a clean, great-looking store.
- **Fitting Room & Sales Floor**- Answer guest questions and provide checkout assistance as needed. Restock items neatly on store shelves and make sure merchandise labels are correct.
- **Food Service** Prepare and serve fresh, quality snack bar items.
- **Human Resource**- Help create and maintains a positive work environment. Process job applications and paperwork and answer applicant questions. Maintain a clean break room and lunch area.
- **Target Protection Specialist**- Use preventive techniques to maintain a comfortable, safe working and shopping environment. If necessary, confront guests or team members calmly and with respect.
