San Mateo County Health System: Public Opinion Survey on Marijuana

SAN MATEO, CALIF. -- The San Mateo County Health System is surveying San Mateo County residents like you. We want to hear about your thoughts and beliefs about people using marijuana in your community. We will use this survey to plan education and prevention efforts. This survey is completely confidential—we will not collect your name or any information that will identify you. You can skip any question that makes you uncomfortable. This survey should take about 5-10 minutes to complete. If you have any questions about the purpose of this survey, you may contact Stella Chau with the San Mateo County Health System at (650) 802-6432 or smcprevention@gmail.com.

North County Prevention Partnership (NCPP) and Pacifica Prevention Partnership (PPP) are coordinating implementation of these surveys in Northern San Mateo County. To take the survey, please click on one of the following links based on the city where you live:

South San Francisco, Brisbane, or Millbrae
